Italian Language Group courses with
Italian on the Couch

Lessons will be on Zoom and will be focused on **communication**. You will improve your knowledge of the Italian language, together with your fluency in speaking. All this in an enjoyable and friendly atmosphere!
I will guide you step by step and help you overcome the difficulties of speaking in Italian. We will discover together the beauty of Italy and of the Italian language.

How is the course organized?

The course starts with a **minimum of 3** students and has a maximum of 6 students per group, so that everybody will have the opportunity to speak and receive adequate attention from the teacher.
